

Paignton Picture House

Meeting about the Old Cinema

All are welcome to this special meeting about the Paignton Picture House (formally known as Torbay cinema). As some of you know the cinema has been closed since 1999, but recent plans by the National Trust will bring new life into this historic building. Anyone with an interest in the cinema, its past, and more importantly its future, are most welcome. Along with members of our group, the National Trust will be on hand to talk about their plans and answer any questions you may have.

Come along and see how you will have a cinema experience unlike any other...
